

HEC:

HEC is a 2 year intermediate course where the students opting for this will have History, Economics and Civics as their primary subjects of study. Along with this English is a compulsory subject and a language is included where the students can choose among languages such as Telugu, Sanskrit etc. To be eligible for this course, the candidate must have passed the 10th standard examination (or equivalent) from a recognized board.

HEC (History, Economics, and Civics) group: The students who are interested in the Indian history. The group has the more advantages that the subjects are very helpful in the competitive exams or recruitment examinations. To get the government job this group is quiet enough for the students. Highly recommended for persons who are aiming for public services like IAS, IPS, IRS and state services etc.
